The festival will run from **24th September to the 29th October 2011** and throughout we want to promote artists and performers in the area. Whether it be opening your studio doors for the month, or if you have an event at your own venue you want us to feature, we want to hear from you!

We see the festival as an event that will promote all creatives in the region so your participation is key in making the festival a success!
